

Appl. No. 10/034,717  
Amdt. dated September 6, 2005  
Reply to final Office action of June 3, 2005

#### REMARKS/ARGUMENTS

The preambles of claims 2-11 and 20 were amended to correct typographical errors. Applicants request the above amendments be made to the claims to ensure proper antecedent basis. These amendments do not raise new issues, do not require additional searching and merely place the claims in better form for appeal. Applicants have already filed a Notice of Appeal to contest the art rejections of the claims.

It is believed that no extensions of time or fees are required, beyond those that may otherwise be provided for in documents accompanying this paper. However, in the event that additional extensions of time are necessary to allow consideration of this paper, such extensions are hereby petitioned under 37 C.F.R. § 1.136(a), and any fees required (including fees for net addition of claims) are hereby authorized to be charged to Hewlett-Packard Development Company's Deposit Account No. 08-2025.

Respectfully submitted,

  
Alan D. Christenson
